

adopted.

SPEAKER NICHOL: You have heard the motion. All in favor say aye. Opposed nay. They are adopted.

CLERK: Mr. President, I now have an amendment from Senator Hoagland. He is excused.

SPEAKER NICHOL: All right, anybody going to handle Senator Hoagland's amendment? If not, move on to the next motion.

CLERK: Mr. President, Senator Warner would move to amend. (Warner amendment found on page 1970 of the Legislative Journal.)

SPEAKER NICHOL: Senator Warner, please.

SENATOR WARNER: Mr. President and members of the Legislature, this amendment to 1093 affects the bill 1250 we just enacted. If you will recall, I guess it was on Select File, when the amendments were adopted that provided the funding for the teachers within the Department of Education that are at the School for the Visually Handicapped and the Hearing Impaired in Omaha and Nebraska City that we added an amendment so that they were treated the same as the teachers, for next year, as the teachers for Social Services, Institutions, and Corrections even though they were not under a CIR order for next year. The other ones were but the logic of doing it because they were all doing the same kind of thing and they ought to have been equalized, but as the bill was drafted, it did need to make an exception for education as well as the other three agencies and, inadvertently, it did not, and this is a simple corrective amendment that will amend 1250 that also makes certain that the appropriation that you approved for those teachers for '86-87 at the School for the Visually Handicapped and the Visually Impaired in fact can be paid. I would move adoption of the amendment.

SPEAKER NICHOL: The question is the adoption of the Warner amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Senator Warner's amendment. Mr. President, I have nothing further on the bill.
